Free energy-saving assessments.

Free energy-efficiency products installed.

Online shopping for instant savings.

Preferred contractors to tackle your larger energy efficiency projects.

Supporting Small Business and Clean Energy

We're working with small businesses to achieve net zero carbon emissions and meet 90% percent of Michigan's energy needs with clean resources by 2040.

Our goal is for all Michiganders to experience a clean energy future, help us achieve this goal by completing energy efficiency projects with us.

"We love the lights! They brighten our spaces and are especially nice in the kitchen. We look forward to savings on our energy bills in the future.

Everyone involved in this process was so kind and made sure that we were well informed."

- Lynne Konett, Co-Owner,
Bilbo's Pizza & Brewery

Small Business Energy Efficiency Program

Consumers Energy

Count on Us®

Getting started is easy!

Pick any program below to get started on your energy efficiency journey and, together, we can achieve our clean energy future.

Free Energy Savings

FREE

Energy Assessment

Quickly lower your monthly energy bill by receiving a complimentary walk-through assessment of your facility. This report provides simple actions you can take to begin your journey of energy efficiency.

During the visit, we can even install free energy-efficient products including:

- Faucet aerators
- Pre-rinse sprayers
- LEDs
- Programmable thermostats

These products can add up to more than a \$500 value!

Low Cost, Higher Energy Savings

Marketplace

Shop for select energy-saving products at discounted prices through our online store to get your business running efficiently.

Plus, free shipping on all orders.

Moderate Investment, Maximum Energy Savings

White Glove Projects

Our exclusive rebates for small businesses means you could get up to \$30,000 in energy-saving equipment and labor with up to 100% of the cost covered.

A pre-qualified contractor will fill out and file all the paperwork for you.

All Other Energy Efficiency Projects

Work with one of our preferred contractors to get projects like HVAC, insulation and much more upgraded with up to 100% of the project costs covered.
