

## Buy Energy Efficient Products and Save Money at Checkout

We want to help your business save energy and improve your bottom line by replacing standard efficiency products with higher efficiency alternatives.

The Business Instant Discount Program makes energy efficient products available to businesses at a reduced price from participating distributors.

Instant discounts are available to the commercial, industrial and contractor customers at checkout.

Consumers Energy offers instant discounts, rebates, technical services and more to help businesses like yours become more energy efficient. Our team is here to walk you through the program requirements and available resources. Reach out to our program experts for specific measure qualifications.

Contact one of our program experts for more information:
