

Fall 2023 Natural Gas Early Completion Bonus

Consumers Energy is excited to offer a special bonus incentive (Fall Bonus) to encourage implementation of new natural gas projects in advance of the heating season. This bonus applies to Incentive Applications for recently implemented natural gas projects, for which a Final Application has not yet been submitted. Residential Agricultural projects and Request for Proposal (RFP) projects are not eligible for this Fall Bonus.

This Fall Bonus is a 20% bonus incentive applicable to eligible natural gas incentive measures implemented by qualified Consumers Energy natural gas customers, for which incentives are requested on a **complete Final Application submitted between September 1, 2023** (Fall Bonus beginning date) **and October 31, 2023** (Fall Bonus end date).

This Fall Bonus incentive is capped at \$20,000 per project/site and is subject to all existing Consumers Energy Business Energy Efficiency Programs incentive caps and limits (i.e., 100% cost cap for prescriptive measures, 50% cost cap for custom measures, annual limits, etc.).

This Fall Bonus will automatically be applied to eligible natural gas incentive measures and be paid together with all approved base incentives on a single check to the Customer, or to the third party authorized to receive the incentives by the Customer.

Eligibility

Qualified Consumers Energy customers must submit a complete Final Application requesting incentives for eligible natural gas incentive measures between the Fall Bonus beginning and end dates specified above and comply with all bonus rules specified in this document to receive this Fall Bonus. Eligible natural gas incentive measures are as follows:

- Prescriptive and custom natural gas incentive measures implemented between the Fall Bonus beginning and end dates, for which pre-notification is required and a qualified Pre-Notification Application was submitted prior to or between the Fall Bonus beginning date and end date.
- Prescriptive and custom natural gas incentive measures implemented between January 1, 2022, and the Fall Bonus beginning date, for which pre-notification is required and a qualified Pre-Notification Application was submitted prior to the Fall Bonus beginning date.
- Prescriptive and custom natural gas incentive measures implemented between January 1, 2022, and the Fall Bonus end date, for which pre-notification is not required.

Other Bonus Rules

Consumers Energy Business Energy Efficiency Programs is offering a bonus incentive under the Commercial and Industrial Large Business Energy Efficiency Program for eligible incentive measures implemented by their qualified customers for which incentives are requested on a complete Final Application submitted between 12:01 a.m. on the beginning date and 11:59 p.m. on the end date specified for this offer. **No exceptions will be granted.** This bonus incentive will automatically be applied to eligible incentive measures.
