Official Rules:

- A 2021 final application can be submitted between June 15, 2022 and Nov. 30, 2022.
- Projects completed Jan. 1, 2021 – Dec. 31, 2021 are eligible: prescriptive, new construction, or custom (if a pre-application isn't required).
- Work with your Energy Advisor to submit the final application as an exception form needs to be created by them. Include all required spec sheets, invoices, signatures, this completed form, etc. with the completed final application.
- NO CAP ON THIS BONUS.
- Bonus will be calculated on the final paid incentive amount. Example: \$10,000 incentive check is paid to the customer; a \$2,000 check is paid to the contractor.
- The Manufacturing 10% Bonus can be applied to missed applications, all others cannot.
- Trade Ally rewards DO apply, points will count for the 2022 program year cap.
- Contractors must have a W-9 (no older than the 2018 IRS form) submitted to receive payment.

Capture this unique opportunity occurring this year to apply for missed projects.

Opt-in must be completed and submitted at the time of the final application to receive this bonus. No exceptions. Opting-in at any other time disqualifies the project.
