

Missed 2022 Application 20% Bonus Form

We would like to thank our Trade Allies and contractors for their continued support and participation in the Consumers Energy Business Energy Efficiency Program. We are offering a 20% bonus on the final incentive amount to the Trade Ally/Contractor company that completed the work on a qualifying 2022 project but missed the rebate opportunity in that program year.

BONUS OPT-IN

We, _____ opt-in to the Consumers Energy 2022 Missed
(Trade Ally/Contractor Company)
Application 20% Bonus.

Click here to agree to the official rules.

Official Rules:

- A 2022 final application can be submitted between Jan. 9, 2023 and 11:59 PM May 31, 2023.
- Projects completed Jan. 1, 2022 – Dec. 31, 2022 are eligible: prescriptive, new construction, or custom. RFPs may be excluded from this bonus offer.
- Projects with prior pre-notification or reservation will not be eligible for bonus. Projects must be new final applications.
- Work with your Energy Advisor to submit a “complete” final application as an exception form needs to be created by them. A complete final application includes all required spec sheets, invoices, signatures, this completed form, etc.
- There is a \$20,000 per project bonus cap.
- Bonus will be calculated on the final paid incentive amount. Example: \$10,000 incentive check is paid to the customer; a \$2,000 check is paid to the contractor.
- The Buy USA Bonus can be combined with this Bonus, all others cannot.
- Trade Ally rewards DO apply; points will count for the 2023 program year cap.
- Contractors must have a W-9 (no older than the 2018 IRS form) submitted to receive payment.

Capture this unique opportunity occurring this year to apply for missed 2022 projects.

Opt-in must be completed and submitted with the final application to receive this bonus. No exceptions. Opting in at any other time disqualifies the project.

Internal use only
